Saturday March 4, 2017

10:00am - 1:00pm

HOW TO CONDUCT A SUCCESSFUL JOB SEARCH

Identify and prioritize the most effective methods of job searching and develop your personal action plan for finding a job

Learn how to effectively and confidently identify core skills and strengths and where you fit in the world of early childhood

Understand the importance of building an effective resume and cover letter as essential parts of a successful job search

Saturday April 1, 2017

10:00am - 1:00pm

EFFECTIVE INTERVIEWING & LANDING THE JOB !

Increase your chances of being made a job offer by learning how to conduct successful interviews

Know your worth, learn techniques on self promotion and salary negotiation.

Our career advisers provide comprehensive career development services that include:

- 1 Career and academic advising
- 2 Resume and portfolio preparation
- 3 Interview and job search strategies
- 4 Guidance through the teacher certification process

Are you considering a career in early childhood? Are you wondering what other ways you can serve children and families in your work? Do you need help with credentialing or working through your study plan?

[You can explore these questions and more in a one on one meeting with a qualified career adviser!](#)
