

PUBLICATIONS ARE NOW AVAILABLE FOR PURCHASE

These foundational publications are designed to help all early childhood professionals including, school district administrators, program directors, teachers, providers, and students. We encourage all people who influence young children's lives to consider utilizing these tools as a daily reference and resource to support the professional development of those responsible for the care and education of our youngest learners. Help improve the quality of early childhood education and the lives of young children by enhancing the knowledge and skills of early childhood professionals with these resources.

The Early Learning Guidelines

- A comprehensive guide to the developmental milestones for children from birth to age 5.
- Sample Strategies to help you bridge your knowledge of child development to your practice.
- Aligned with NYSED Prekindergarten Foundation for the Common Core.
- Also available in Spanish!

Core Body of Knowledge

New York State's Core Competencies for Early Childhood Educators
