Job Description

playLab Description

playLab studies the development of young children and the unique role of play in their lives. We are currently seeking part-time early childhood coach(es) to work with Early Head Start teachers and collaboratively develop tailored coaching plans to improve classroom practice.

Responsibilities

Responsibilities

- Observe Early Head Start classrooms using the ITERS-R/ECERS-R tools
- Focus on specific tasks, skills, or techniques of the developing child
- Assist teachers to structure and develop environments, routines, and interactions in developmentally appropriate ways to support overall child development
- Encourage, support, motivate, and work interactively with teachers to develop a coaching plan and implement ongoing goals related to specific developmental domains

Qualifications

Qualifications

- Must have a minimum of a Bachelor's degree in Early Childhood Education, or a related field
- Candidates with experience collecting classroom observations using the ITERS-R/ECERS-R tools preferred

- ▷ Experience coaching or in an early childhood setting is a plus
- ▷ Experience working with Early Head Start or knowledge of Early Head Start standards
- ▷ Excellent oral/written communication skills, competent interpersonal skills, strong organizational skills

Application Instructions

To Apply

If you are interested, please email your resume and cover letter with subject line “Early Childhood Coach” to playlabnyu@gmail.com by October 15th 2017. The review of applicants will begin immediately. Only candidates selected for further consideration will be contacted.

Additional Information

Additional Information

- ▷ Need a minimum of 6 months commitment, with possibility of extended time
- ▷ Need a car and willingness to travel to Suffolk County, Long Island
- ▷ This is a paid position, commensurate with experience
- * Position is contingent upon funding
