Substitute Teacher Nursery/Prek

School Professionals

All Boroughs, NY

Teacher

Posted on June 28, 2018

Job Description

Substitute teaching is a great way to gain exposure to many different classroom environments. As a substitute teacher you will gain exposure to many different classroom sizes and student populations, allowing you to decide what suits you best. As the largest provider of substitute teachers to private, charter, independent and UPK schools in NYC, School Professionals will be able to send you to many different schools with different settings. Plus by working with School Professionals you'll get some great benefits including:

- Flexibility to make your own schedule
- Ability to select what subjects you prefer to teach
- Ability to select what grades you prefer to teach
- Borough preference
- Eligibility for our availability prize program
- Employer matched 401k
- Low cost dental coverage
- Transit Cheks

Responsibilities

Your responsibilities as a substitute teacher will include:

- Carrying out the professional duties of a classroom teacher
- Adhering to school policies and School Professionals policies
- Possessing a positive attitude while working in a fast-paced environment
- Reporting for scheduled work reliably and punctually

• Maintaining a clean, safe, and supportive classroom environment

Qualifications

Applying to become a School Professionals teacher is easy! All you need to apply is:

• Education: High School Diploma or Higher
• Experience: At least 6+ months experience working with children aged 2-6

Application Instructions

Please upload your resume on our website, https://www.tempositions.com/school-professionals/education-and-teacher-jobs/
