The successful candidate will be professional and able to work in a collaborative, high paced and dynamic environment; have experience in Early Childhood education; and be willing to grow within our professional learning environment. Responsibilities include but are not limited to:

- Engage children in learning activities and play that stimulates their development
- Teach and assist children with activities of daily life (including diapering, toileting, hand washing, toothbrushing, etc.)
- Appropriately supervise children while keeping them safe at all times
- Engaging families daily and building relationships that support the healthy development of students.
- Development of weekly lesson plans aligned with the approved Curriculum.
- Student assessment and progress monitoring

- Conduct and facilitate parent teacher conferences, meetings and/or workshops.
- Individualized goal setting & learning activities for children with IEPs or other learning difficulties.
- Teaming with consultants and professionals across support areas including Family Service, Mental Health and Nutrition.
- Maintaining, developing and creating an engaging classroom environment
- Providing oversight, direction and collaborative working opportunities to support educational staff.
- Prepare monthly parent newsletters and other informational packets as guided by Policy and Site Director.
- Engage in professional development and learning opportunities as mandated by the Agency and a willingness to engage in opportunities as presented.

IF CERTIFIED: A certified teacher may be asked to step up in the absence of the Site/Education Director when the need arises.

REQUIRED EXPECTATIONS include but are not limited to:

- Ability to establish a professional level of rapport with each family in order to provide quality care and friendly service
- Ability to implement effective teacher practice, enforce Agency policy and procedure and communicate each clearly.
- Attend and engage in occasional Agency parent participation events and other events that may be on nights and/or weekends
- Maintain a professional self-image and project the values of the organization at all times.
- Be a positive role model at all times for Staff, Families and Children.

Qualifications

QUALIFICATIONS

- Have 2-3 years' experience working in an Early Childhood Classroom of children aged 3-5.
- Possess a Bachelor's degree in Early Childhood Education, child development or a child related field.
- Possess a Master's degree in Early Childhood Education. If Master's degree in another content area, must possess a minimum of 60 credits in Early Childhood Education.
- Possess NYS Initial Certification in Early Childhood Education Birth to Grade 2 or be engaged in a study plan to complete.
