Job Description

This position is responsible for coordinating and advocating health services (Medical, Dental, and Child Safety) for participating children and families enrolled in Head Start/Early Head Start. This position plays an important part in supporting the health and safety goals of the program.

Responsibilities

- Promotes preventative health services and inform families of community services and resources.
- Ensures families have health insurance coverage and an ongoing source of continuous, accessible medical and dental care. Assists parents to ensure participation in well-child checks.
- Conducts nutrition assessments with parents and provides follow up as necessary.
- Provides transportation services or arrange transportation through other options to enrolled children and families for appointments related to health and dental.
- Makes periodic home visits to pregnant mothers and newborns to ensure the well-being of both the mother and the child per performance standards.
- Maintains accurate and up to date records on children and families for meeting program objectives.

Qualifications

- High School Diploma/GED and 2 years' experience in a health related field preferred or 2 years in support/service role serving parents and families.

- Required to be MAT (Medication Administration Training) trained and certified to pass medications as needed.
- Must be willing and able to obtain and maintain basic First Aid and CPR certification.
- Experience or knowledge of family strengths/family centered practices preferred.
- Knowledge of health and wellness principles.
- Experience in a medical office setting is helpful.
- Comfortable in a daycare setting to provide back-up to classroom staff when needed.
- Excellent communication, organization and computer skills.
- Must possess a vehicle and have a valid driver's license.
