## Job Description

We are seeking individuals, teachers and caregivers, passionate about early childhood education who are committed to make a difference in the lives of young children and their families. The ideal candidates must demonstrate exceptional professional conduct and have the ability to promote the social, physical, and intellectual growth of children while creating a positive and healthy learning environment. Infant/toddler experience is a must!

***This is a unique opportunity to train under an experienced team at our award winning Lynbrook school and could then assist in opening new Infant/Toddler school. Multiple positions are also available in Lynbrook.***

Benefits for full-time employees include up to 2 weeks (10 days) paid vacation/personal days, 9 paid holidays, 401k retirement plan, paid continuing education, Child Development Associate sponsorship under EIP, discounted programs for toddlers thru 12 year olds and employee and student referral bonuses. We also offer an in house CDA program which is a great opportunity to get your CDA while working!

Salary is dependent upon experience. Bilingual a plus!

Kids Campus has been operating high quality educational programs with extended hours for working parents for the past 20 years. In 2020, we were recognized and awarded Best Preschool and Kindergarten Program. We have remained open during 2020 and have been Covid transmission free to date.

Come join our team of professionals dedicated to positively shaping the next generation!

## Responsibilities

Responsibilities include developing lesson plans to positively engage and guide children through curriculum and daily activities, maintaining a healthy, safe and loving classroom environment, assessing and documenting children's progress, completing parent and other required reports and communicating, building and maintaining positive relationships with parents.

## **Qualifications**

Teacher Candidates must have at least 9 early childhood credits completed while in pursuit of an early childhood or related degree or hold a CDA, Associate, Bachelor or Master's degree in Early Childhood Education.
