Job Description

Developmental Disabilities Institute, DDI, is one of the largest providers of care to children and adults with Autism, developmental disabilities and other special needs. DDI has been a part of Long Island for over 50 years serving over 1,500 children and adults with Autism, other developmental disabilities and special needs. DDI provides innovative and expansive services to our population through various residential services, day habilitation programs and vocational services.

Working in DDI's Early Childhood Services division the Early Childhood Aide works along side the Special Education Teacher and Assistants as part of the interdisciplinary team. Working in the classroom the early Childhood Aide works with children with developmental disabilities on a variety of age appropriate educational goals.
