## Job Description

Margaret's House is RIT's centrally located, on-campus child care center. We provide quality care and early childhood education for infants, toddlers, and preschoolers during the academic year and throughout the summer. We are open Monday through Friday from 8:00am-5:00pm and our calendar coordinates with the RIT academic schedule. The staff at Margaret's House are employees of RIT, with full RIT benefits, and are educated and experienced in the field of early childhood education.

Shifts for teachers are 8-4 or 9-5pm. 35 hours each week are guaranteed. We staff 2 co-teachers in each classroom and they are afforded an hour of planning time together outside of the classroom 1X/week. We utilize RIT students as teacher assistants to help staff each room to ratio each day. Teachers implement the CREATIVE CURRICULUM and all supplies/materials are provided. We are a team of professionals looking for energetic and positive team players to join us as we build our center!

Rochester Institute of Technology is a diverse and collaborative community of engaged, socially conscious, and intellectually curious minds. We are dedicated to building a diverse community, one where employees feel a sense of belonging, and are valued for their contributions and the perspectives they bring.

As a member of the RIT community, you'll receive a comprehensive employee benefits package that offers multiple options and access to additional employment advantages. You can tailor your benefit elections to meet your needs (affordable medical/dental/vision benefits; paid vacation/sick time/retirement saving plan with exceptional employer match; and tuition assistance for you and your family, to name a few).

## Responsibilities

Reporting to the Director, Associate Teachers serve as lead or co-teachers to care for, teach and nurture children ages 0-5 years in a safe, healthy, learning environment at Margaret's House. Teachers work with classroom aides (RIT students) and other teaching staff and administrators to supervise the daily activities of the children and develop a program that meets their needs and promotes age appropriate development. Teachers also develop and manage ongoing communication with families of children in their care and are responsible to all RIT and OCFS (Office of Children and Family Services) regulations.

Develop and implement program activities using the required curriculum.

Support and communicate positively and professionally with families regarding the education and care of their children.

Complete developmental assessments and summaries twice yearly.

Advise and direct student employees working in the classroom.

Maintain compliance with all regulations. Perform all duties as required under OCFS guidelines.

Computer competence is required.

Obtain required professional development and maintain ASPIRE account.

## Qualifications

- Patience, compassion, responsibility, strong organizational skills
- Associate's degree in early childhood education (or equivalent field) or Child Development Associate Credential plus 1 year of classroom experience.
- OR
- Child Development Associate credential; or other Office-recognized credential AND two years of experience related to caring for children
- OR
