

Home Visitor

Cardinal McCloskey Community Services

NY

Posted on July 26, 2022

Job Description

Home visitors will provide weekly home visits to parents that promote secure parent-child relationships and help parents provide high-quality, early learning experiences in language, literacy, mathematics, social and emotional functioning, approaches to learning, science, physical skills, and creative arts to their children. Home Visitors are expected to Build respectful, culturally responsive, and trusting relationship with families; plan all home visits jointly with parents; and effectively communicate the critical role of parents in the development of their children. Home visitors must demonstrate competency to plan and implement home-based learning experiences that ensure effective implementation of the home visiting curriculum and promote children's progress across the standards described in the Head Start Early Learning Outcomes Framework: Ages Birth to five, including for children with disabilities and dual language learners, as appropriate. The primary focus of the Home Visitor is to develop a collaborative relationship with families to support them by being their child's first and primary educator. Connect families with other community agencies to address health, nutrition, and disabilities services for children and pregnant moms when needed.

Qualifications

Essential skills, experience, licensure, certification:

- Minimum CDA with Home Base extension. An AA or Ba in Early Childhood, Human Services or Psychology with some EC credits.
- Experience working in Early Childhood Education, prenatal care, home visiting, teaching and or community health.
- Bilingual is a plus

COVID-19 Vaccine Required!
