Organization Statement

Brooklyn Kindergarten Society (BKS) has dedicated itself to providing high quality early childhood education to children from low-income families for over 130 years. We serve nearly 450 children in full-day educational classes, each enriched with pre-literacy and language programs as well as arts and music instruction. BKS recognizes that families “the key to children’s success” often benefit from resources and support beyond the classroom. To that end, our social services staff provides counseling, referral services, and workshops for children and their families. We provide full day, year-round care for children who are stimulated by the various curriculum studies initiated by them and guided by the principles of the Creative Curriculum.
