We encourage you to join our dedicated and diverse workforce by applying today!

Job Description

As a **Social Worker**, you will play an important role, providing service coordination to the children and families served within the Early Childhood Education Division at Cardinal McCloskey Community Services. The Social Worker will work with pregnant women and children birth through five-years-old. This position requires excellent family engagement skills, high quality social service delivery, knowledge of supportive services and resources for families, strong advocacy, organizational, and problem solving skills.

Qualifications

- At minimum a Bachelor's Degree in Social Work or related field. Master's Degree in Social Work (MSW) preferred.
- Ability to travel to various ECED sites to provide social work service.
- Bilingual Spanish/English.
- **Minimum Education Level:** Bachelor's Degree
- **Preferred Education Level:** Master's Degree
