Organization Statement

Saint Anselm's Academy is a child centered program offering a nurturing environment and engaging learning experiences that are developmentally appropriate and differentiated to suit the needs of every individual child. At our school, exploration and discovery are used to learn, enabling children to develop confidence, creativity, and critical thinking skills. We utilize the Creative Curriculum framework which supports our belief that children learn best in a child-centered classroom with a focus on interest areas. Our program concentrates on developing the "whole child" through hands-on experiences.
