Organization Statement

Optimal Care Services LLC. is a NYSED approved SEIT service provider. Our institution provides special education itinerant services for children ages 2.9 -5.9. Applied Behavior Analysis (ABA) services. Bilingual SEIT services.

Job Description

We are seeking **full-time and part-time** Special Education Itinerant Teachers (SEIT) to provide educational services for preschool children **ages 3 to 5 years old**, in **NY's 5 boroughs** (Manhattan, Bronx, Brooklyn, Queen, and Staten Island). SEIT typically provides educational support to preschoolers with disabilities in their preschool, at the student's home, and/or in the community. If you are caring, compassionate, flexible, and possess excellent communication, decision-making, and organizational skills - You are the candidate we are seeking!!! Please apply for the position of Special Education Teachers (SEIT) at OCS today!!!

Responsibilities

- Provide specialized individual instruction directly to the student.
- Provide SEIT services to help a child with developmental disabilities achieve their next goal.
- Plan and provide therapy to children ages 3 to 5 years old.
- Administer services by implementing programs as per IEP mandates.
- Support teachers in the development of daily lesson plans.
- Integrate IEP goals and services into daily learning and routines.
- Implement, coordinate, and monitor child's behavior management program.
- Participate in multidisciplinary team communication and service plans.

- Collaborate and communicate with OCS staff, preschool directors, and teachers.
- Coordinate and communicate child's educational programs with OCS staff, teachers, therapists, and parents.
- Gather progress reports from related service providers.
- Maintain a schedule of mandated therapy sessions.
- Maintain appropriate and complete documentation of sessions.
- Maintain digital and written records of current goals.
- Submit all documents in a timely manner.
- Make appropriate recommendations for services, requesting reviews and submissions of the annual reports utilizing OCS digital tools.
