Onsite

\$43,203 - \$43,203 a year

Posted on February 6, 2024

Organization Statement

The Economic Opportunity Commission (EOC) is the designated anti-poverty agency in Nassau County; an innovative Community Action Agency devoted to facilitating and strengthening basic social relationships between individual, families, and social organizations.

For over 50 years, the EOC of Nassau County, Inc., has provided programs and services to the low-income Nassau County residents. During the past year, approximately 41,000 unduplicated low-income children, youth, individuals, and families accessed EOC programs and services. As a Community Action Agency, the EOC of Nassau County, Inc., is a direct support for the county's residents who live at or below the federal poverty level. This includes those who are recognized as "working poor".

Job Description

The Head Start Advantage

With fifty-eight years of experience, our program continues to impact the lives of young children and prepares them for success.Â

Responsibilities

Responsibilities:

1. Working with children and parents to accomplish the Head Start goals.
