Organization Statement

Supermoon Art Space is a Community Art Center and Early Childhood Program located in Ridgewood, Queens. We offer loving care for 2-3 year olds in our Group Daycare Program, creative workshops for 4-5 year olds in our Satellite Space, and multidisciplinary art classes for school-aged children in neighboring public schools. For all programs we assure that our team of teaching artists and educators feel nurtured, valued and respected as integral members of our school community.

We have recently expanded our offerings by setting up after school programs for 3-5 year olds in public schools in Ridgewood, to supplement existing 3K, PreK and SACC programs.
