Organization Statement

ABC Preschool & Kindergarten Center is a leading private provider of early childhood education and childcare in Queens. ABC Preschool is an early learning center, that offers programs for toddlers and preschool age children.

We are licensed by the NYC Department of Health and adhere to the high standards set by the NYC Department of Education, the NYC Department of Buildings, and the NYC Fire Department.

At ABC Preschool, we believe that children learn best through play. Our philosophy centers on a hands-on approach and individualization for every child.

We value each child's energy, mind, and creativity, and we are committed to nurturing both their play needs and educational needs.

Job Description

The Education Director will need to be excellent with technology in order to work on different application sites entering data and keeping records, be able to conduct informal and formal observations, assess teacher's lesson plans, and guide teachers when help is needed with planning.

The Education Director is expected to use early childhood development training skills and previous experience to design and implement strategies to run a well-organized childhood facility that works in the best interest of children, parents, and staff.

The right candidate is friendly, caring, loves education and has excellent verbal and written skills. Being fluent in English is a must and if you other languages, it's a huge plus.

Your job will be to continue to create a warm, positive, and caring environment for children, families, and staff during the summer months. Being able to communicate effectively with visiting leaders, families, and staff is vital to this role.
