Organization Statement

CLASP Children's Center is a long-established, not-for-profit childcare center serving working families in Great Neck and the surrounding communities. We provide quality childcare for children between the ages of 3 months and 4 years of age. CLASP is open year-round and supports all aspects of children's growth and development in a safe and nurturing educational environment.

Job Description

Long-established not-for-profit, year round early childhood center in Great Neck, seeking a passionate and dedicated Preschool Head Teacher to join our team. As a Preschool Head Teacher, you will play a vital role in providing a nurturing and educational environment for young children. Your responsibilities will include implementing age-appropriate curriculum, managing classroom behavior, and fostering the social and cognitive development of each child.

Skills required:

- Strong behavior management skills to create a positive and structured learning environment
- Excellent classroom management abilities to maintain order and engage students effectively
- Proficiency in curriculum development to create age-appropriate lesson plans that align with educational standards
- Knowledge of early childhood education principles, including math and literacy education
- Effective communication skills to interact with children, parents, and colleagues
- Experience in childcare or early childhood development preferred

If you are passionate about early childhood education and making a positive impact on young minds, we encourage you to apply. Join our team as a Preschool Teacher today!

Responsibilities

- Develop and implement engaging lesson plans and activities that promote the physical, social, emotional, and intellectual development of preschool-aged children
- Create a safe and inclusive classroom environment that encourages exploration, creativity, and positive interactions
- Manage classroom behavior and promote positive discipline techniques to ensure a respectful and cooperative learning environment
- Assess the individual needs of each child and provide appropriate support and guidance to meet their developmental milestones
- Collaborate with parents and guardians to communicate progress, address concerns, and promote parental involvement in their child's education
- Maintain accurate records of each child's progress, attendance, and developmental milestones
- Ensure the cleanliness and organization of the classroom materials, equipment, and learning spaces

Qualifications

A current Child Development Associate Credential (CDA) in Preschool is required. A Bachelor's Degree in Education or a related field is preferred.

Prior experience working in a child care setting is required.

- **Minimum Education Level:** CDA Credential
- **Preferred Education Level:** Bachelor's Degree
