## Responsibilities

Plan well-designed lessons that are aligned with the current units of study and culturally relevant pedagogy.

- ï, Implement units of study and lesson plans in a thoughtful and intentional manner
- ï, Identify goals for children
- ï, Identify what staff and parents can do to help children achieve these goals
- ï, Identify classroom materials needed to support the implementation of the curriculum towards achieving goals.
- ï, Provide positive guidance for children
- ï, Implement daily lesson plans.
- ï, Lead various small group and center activities
- ï, Delegate various academic and classroom-based responsibilities to assistant teacher and teacher aides.
- ï, Complete and maintain observations and other running records
- ï, Navigate Teaching Strategies GOLD online (assessment system).
- ï, Provide consistent supervision that takes into account developmentally appropriate activities and health needs of the group and individual child.
- ï, Understand individual student goals and connect those goals to academic activities.
- ï, Work with small groups of children to reinforce lessons, providing one-on-one instruction to students and supervising students in the classroom.

• Create a warm and welcoming environment that includes a print-rich, and culturally responsive culture.
