- Implement grant-funded educational programs and assist in delivering contracted initiatives, quality strategies, and similar projects that expand partnerships with government, education, and community organizations.
- Develop and implement training and professional development sessions on topics such as child development, learning environments, classroom management, health and safety, and OCFS regulations.

- Participate in functions of the NYS Early Care and Learning Council Infant Toddler Network.
- Document and report information related to our grants and various contracts, regarding the essential work we do to support the Early Childhood workforce.
- Work collaboratively with all CCCN departments.
- Work collaboratively with the Child Care Council of Suffolk to develop the regional Theory of Change Model for the Infant Toddler Network.
- Build relationships with Early Childhood Educators and programs, using a strengths-based, reflective approach to professional development.
- Maintain professional resources that include books, videos, pamphlets, brochures, etc. that promote best practices for infant toddler care.
- Participate in applicable in-service and professional development activities
- Assist in the creation and dissemination of professional development opportunities through brochures/publications.
- Perform additional tasks as required by the supervisor.

Qualifications

- CDA, Associate degree in early childhood education, or 2 years of experience working in a leadership or supervisory role in an early childhood setting,
- OR An associate's degree in a related field AND 2 years of experience working in a leadership or supervisory role in an early childhood setting.
- Fluency in Spanish is a plus for this role.
- Direct care experience with infants and toddlers is essential.
- Candidates must have a willingness to learn and possess knowledge about infant/toddler care, early education, regulations, and child development.
- Excellent communication skills are necessary to engage effectively with diverse communities.
- Strong organizational and multitasking abilities are required.
- Proficiency in Microsoft Office and Google Drive is a must.
- Comfort with public speaking and conducting training sessions is preferred.
- The role involves local and regional travel across Long Island, including overnight trips for conferences.
- Proactive problem-solving skills and a strengths-based support approach are valued.

- Candidates should be able to lift up to 50 pounds and manage extended use of technology and phones.
- Successful candidates must obtain the New York State T-TAP Credential within 180 days of hire.
- **Minimum Education Level:** CDA Credential
- **Preferred Education Level:** CDA Credential
