Organization Statement

The Y is one of the nation's leading nonprofits strengthening communities through youth development, healthy living and social responsibility. Anchored in more than 10,000 communities, the Y has the long-standing relationships and physical presence to deliver lasting personal and social change. We believe the values and skills learned early on are vital building blocks for quality of life. Because of the Y community, children are being given more opportunities in learning and making smarter life choices. At the CDYMCA, children learn their ABCs, how to share, learn sportsmanship, and, most importantly, learn how to be themselves. That makes for confident children today and contributing and engaged adults tomorrow.
