Organization Statement

Family Health Centers at NYU Langone, a designated Level 3 Medical Home, is the largest federally qualified health center network in New York State, and the second largest in the nation. It includes eight primary care sites, 40 school-based health centers and dental clinics, four day care centers, the nation's largest dental residency program, and New York State's largest behavioral health program. The network also includes 12 community medicine sites providing care to disenfranchised New Yorkers, comprehensive HIV services, chemical dependency programs, and a family support center that offers educational, vocational, and other social support programs. At NYU Langone Health, equity, diversity, and inclusion are fundamental values. We strive to be a place where our exceptionally talented faculty, staff, and students of all identities can thrive. We embrace diversity, inclusion, and individual skills, ideas, and knowledge.
