Organization Statement

Our Vision

In Jenny's Exploring Minds 3k we openly communicate and partner with all constituents in our school community and every staff member wholeheartedly commits to supporting each student to grow socially, emotionally and academically to become successful, life-long-learner

Our Mission

The mission of Jenny's Exploring Minds 3k is to provide rigorous and culturally responsive learning opportunities to develop all aspects of our young learners' academic, social and emotional growth. Through close relationships with our students and families and providing carefully-designed learn-through-play activities, we develop young learners' independence and confidence to become future leaders.

Responsibilities

Develop and implement engaging, age-appropriate lesson plans aligned with early childhood development standards.

Create a positive, supportive, and inclusive classroom environment where children feel safe and motivated to learn.

Promote social, emotional, and academic growth through play-based and structured activities.

Establish and maintain strong relationships with students, parents, and colleagues.

Observe, assess, and document each child's developmental progress and communicate regularly with parents.

• Collaborate with the teaching assistant to ensure smooth daily operations and effective classroom management.

• Uphold the values and vision of Jenny's Exploring Mind, contributing to a community-focused, child-centered learning experience.
