Organization Statement

At Rockgate Day Care Center, we believe every child is a cherished gift, with boundless potential and unique purpose. Our Toddler Room Teacher will play a vital role in fostering a safe, nurturing environment that inspires young hearts and minds to grow. This role includes implementing compassionate child care practices, supporting each child's social, emotional, and physical development, and nurturing their natural curiosity. Our curriculum ensures every child is guided on a path of meaningful learning.

Job Description

The Daycare Assistant Teacher supports the lead teacher in providing a nurturing and stimulating learning environment for young children in a daycare setting. This role involves assisting with curriculum implementation, supervising children, maintaining a safe and clean environment, and supporting the social and emotional development of the children.

Responsibilities

1. Responsibilities.

- Support the lead teacher in implementing age appropriate curriculum and activities that promote child development and learning,

- Collaborate with the lead teacher and classroom resources. to plan and prepare lesson materials and resources.

- Provide individualized attention and support to children as directed by the lead teacher.

2. Supervision and Care

• • • - Supervise children during indoor and outdoor activities, ensuring their safety and well-being at all times.

• • • - Assist with daily routines, including meal times, nap times, and toileting, following established procedures and guidelines.

• • • - Monitor children's behavior and interactions, intervening as needed to promote positive social skills and conflict resolution.

3. ** Classroom Management**

• • • - Help maintain a clean organized, and inviting classroom environment conducive to learning and play.

• • • - Assist with setting up and maintaining learning centers, materials, and equipment for daily activities.

• • • - Encourage children to participate in activities and follow classroom rules and routines.

4. **Communication and Collaboration**

• • • - Communicate regularly with the lead teacher, sharing observations, concerns, and updates on children's progress.

• • • - Foster positive relationships with parents, and caregivers, demonstrating professionalism and empathy in all interactions.

5. ** Professional Development**

• • - Participate in training sessions and professional development opportunities to enhance knowledge and skills in early childhood education.

• • - Seek feedback from lead teacher and supervisors to improve performance and effectiveness in supporting children's development.

• • •

Qualifications

The qualifications needed for Assistant Teacher-

-High school diploma or equivalent (some college coursework in Early Childhood Education or related field preferred).

• - Previous experience working with young children in a daycare, preschool or similar setting.

• -Basic understanding of child development principles, early childhood education practices, and behavior management techniques.

- Patience, flexibility and a passion for working with children.
- Strong communication and interpersonal skills.
- CPR and First Aid certification (or a willingness to obtain)
- **Minimum Education Level:** Highschool Graduate or GED
- **Preferred Education Level:** Some College Credits
