Organization Statement

True North Center for Children is a full-service child care center located in the town of Clay, near the Liverpool, North Syracuse and Baldwinsville School Districts. We offer full time and part time care and education for infants, toddlers and preschoolers. Our spacious center was newly constructed in the fall of 2019. With attention to detail and a goal of excellence, we truly do strive to provide for a high-quality early childhood experience for each child in our care.

Job Description

- The lead teacher will plan and carry out lessons and daily routines according to the class schedule. We are using Frog Street curriculum for Toddlers and The Creative Curriculum for Preschool which offer a variety of activities to lead children through intentional experiences, fostering growth in language, cognition, social/emotional skills and physical development. The lead will work closely with her/his assistant to create a positive, caring and clean environment for the children in their care.

Qualifications

The candidates will have either a Child Development Certificate or an Associates degree in Early Childhood Education. Applicants should be familiar with best practice for young children and the OCFS regulations in the State of New York.

- **Minimum Education Level:** CDA Credential
- **Preferred Education Level:** Associate's Degree
