## Organization Statement

Our organization is committed to providing high-quality, nurturing, and developmentally appropriate care for young children. We support families by creating a safe, inclusive, and stimulating environment that promotes early learning, social-emotional growth, and school readiness while meeting all licensing and regulatory standards.

## Job Description

We are seeking a dedicated Assistant Teacher / Floater to support our Infant/Toddler classrooms (ages 0–2). This role involves working across classrooms as needed to maintain ratios, support daily routines, and ensure a safe, nurturing environment for children. There is potential for growth based on performance and qualifications.

## Responsibilities

- Ensure the safety and supervision of infants and toddlers at all times
- Assist with feeding, diapering, and daily care routines
- Support classroom activities, transitions, meals, and nap times
- Float between infant/toddler rooms as needed to provide coverage
- Maintain daily updates and child information in Brightwheel
- Communicate effectively with parents and team members
- Follow all childcare regulations, health, and safety requirements
- Clean and sanitize classrooms and materials daily

- Observe children and support their developmental needs

## Qualifications

- CDA (Infant/Toddler) or equivalent preferred
- Experience working with young children in a licensed childcare setting
- **Minimum Education Level:** CDA Credential
- **Preferred Education Level:** Associate's Degree

## Application Instructions

Please send your resume to **customerservice@cuddleavenue.org**
