## Organization Statement

At Blossoming Minds Early Childhood Family Center LLC our mission is to provide childcare for children aged 6 weeks to 12 years, in a safe, nurturing, and stimulating learning environment. This environment encourages students to explore, experiment, discover, play, and interact, while developing their own personal understanding of the world and themselves. Our experienced staff act as positive role models for our attending students and community. We offer a child-centered, multicultural learning environment, where each student is treated as an individual with diverse needs and interests that are to be respected and supported through developmentally appropriate practices. We realize the importance of a multi-sensory approach for young learners that enables them to plan, create, build, organize, and make personal discoveries. Play is significant in our program because it is how students learn to express themselves, take turns, share, imitate, and exchange ideas and knowledge with others. Our students have various play opportunities daily. We foster a strong sense of self and aid our students in establishing healthy social relations with peers as well as adults.

## Job Description

### Role Description

The Assistant Infant/Toddler/Preschool Teacher at Blossoming Minds Early Childhood Family Center LLC will support lead teacher in providing a safe, interactive, and developmentally-appropriate learning environment for all children.

### Responsibilities Includes:

-Assisting with classroom activities, ensuring hygiene and safety standards are met

- Engaging all children in creative play, and fostering positive interactions among them.
- Provide a safe, clean and caring living environment for all children.
- Prepare meals
- Facilitate daily routines with all children.
- Participate in individual and group activities with all children.

### **Qualifications:**

- Strong listening and interpersonal skills to effectively communicate with children, parents, and team members.
- Basic knowledge and practices of health, safety, and hygiene to ensure a clean and secure environment for children.
- Creativity and the ability to engage children in imaginative and educational activities.
- Experience or interest in childcare with a genuine passion for fostering early childhood development.
- Patience, adaptability, and a positive attitude.
- Ability to work collaboratively in a team setting.
- High school diploma or equivalent; additional certifications in early childhood education are a plus.
- Spanish speaking a plus.
- First Aid/CPR/AED certification is preferred but not required.
