Posted on March 17, 2026

Organization Statement

At **VHG Group**, we believe that everything is language, whatever your native tongue: a smile is language, a hug is language, art is language, dance is language and music speaks volumes. We believe diversity is a strength in the world we live in and should continuously be celebrated. We want our students to be the next global leaders while becoming independent, confident, empathetic, and caring, in our bilingual setting. At **VHG Group**, we make learning FUN! Our children's well-being, happiness, and academic and language development are at the foundation of our learning model.

Job Description

Candidates should possess experience working with children in various capacities.

Preferred skills include:

- Experience in behavior management techniques.
- Background in babysitting or childcare.
- Knowledge of childhood development principles.
- Familiarity with first aid practices.
- Previous experience working with students in educational settings is a plus.
- Comfortability with diaper changing and feeding amongst 6 weeks-5 year olds

We encourage passionate individuals who are committed to fostering a nurturing learning environment to apply for this rewarding position as a Daycare Teacher.

Responsibilities

- Partake in engaging and age-appropriate activities that promote learning and development.
- Supervise children during activities, ensuring their safety and well-being at all times.
- Foster a positive and inclusive environment that encourages social interaction and emotional growth.
- Manage behavior effectively using appropriate techniques to promote positive behavior.
- Communicate regularly with parents regarding their child's progress, needs, and any concerns.
- Maintain cleanliness and organization of the classroom and play areas.
- Collaborate with other staff members to create a cohesive learning experience.
- Participate in ongoing training and professional development opportunities.
- **2:45pm-6pm Monday-Friday weekly shifts**

Qualifications

- Experience in behavior management techniques.
- Background in babysitting or childcare.
- Knowledge of childhood development principles.
- Familiarity with first aid practices.
- Previous experience working with students in educational settings is a plus.
- Comfortability with diaper changing and feeding amongst 6 weeks-5 year olds
- **Minimum Education Level:** Highschool Graduate or GED
- **Preferred Education Level:** Associate's Degree
