Organization Statement

Bellevue Day Care Center has been providing Early Childhood Education and Child Care services for 55 years. Located on the East side (28th Street) within Bellevue Hospital Center, the Center includes 4 classrooms (Infants, Toddlers, 3K and PreK) and a private outdoor playground on the hospital campus. Bellevue Day Care Center provides Early Childhood Education and Childcare services hospital employees as well as the surrounding community. The Center operates year-round from 7:30am to 6:00pm on weekdays. The children in the program range in ages 6 months to 4 years old.

Job Description

The Toddler Teacher is a full time position from 7:30am - 3:30pm or 8:00am - 4:00pm. The program is open year-round. The toddler teacher will work with a team including 2 assistant teachers and 10 students.

Responsibilities

The toddler teacher will plan and implement developmentally appropriate activities in accordance with the educational curriculum. The toddler teacher will work with a team of at least 2 assistant teachers and together they will supervise the children throughout the daily routine, maintain the equipment, furniture, and supplies in the classroom. The toddler teacher will observe and document each child's development for a progress report. Additionally, the toddler teacher will participate in team and groups meetings as well as participate in staff development trainings.

Qualifications

High School Diploma or GED. Must be able to pass background screening and manage the physical demands of the job (able to lift 40 pounds). Energetic, a team player, and flexible. Able to work calmly under pressure. Experience is necessary.

- **Minimum Education Level:** Highschool Graduate or GED
- **Preferred Education Level:** CDA Credential
