What personal attributes do you bring to your team?

Slide 9: Identifying Leadership Traits

Take a piece of blank paper and fold it in half. On one side, write down all of your leadership traits and on the other side write all of your leadership traits or qualities you are challenged by?

Example:

My Leadership trait or qualities	Traits and qualities that challenge me
Listening	Staff who do not read emails
Mentoring and Reflective approach	Individuals who seek advice and perform the opposite of advice provided.
