## Make Mine Breastfeeding Friendly

Supporting Breastfed Babies and Families in Day Care Centers

NYS Child and Adult Care Food Program (CACFP) has developed a web based training designed for day care centers to obtain or renew their Breastfeeding Friendly (BFF) designation

- View the training (30 minutes)
- Complete the Breastfeeding Friendly Day Care Center self-assessment form
- Send the completed form and your center's breastfeeding policy to the address on the form

Now it's time to get started! Go to:

A screenshot of a presentation slide. The slide features the New York State logo and the Department of Health logo in the top left. The main title is "Make Mine Breastfeeding Friendly" in large, bold, dark blue letters. Below the title is the text "Thank-you for your Interest in Supporting Breastfed Babies and Families" in a smaller, dark grey font. On the right side of the slide is a blue silhouette of a woman breastfeeding a baby. At the bottom of the slide, there is a dark blue navigation bar with several icons. Two callout boxes with white backgrounds and dark blue borders point to specific icons: one points to the play/pause button and is labeled "Play and Pause Button", and the other points to the left and right arrow buttons and is labeled "Moves slides forward and backward". The bottom of the screenshot shows a video player interface with a progress bar, a "Slide 1 / 41 | Buffering" indicator, and a "00:01 / 00:37" timer.
